

Privacy Policy

We are committed to protecting your privacy and safeguarding your personal information. This Privacy Policy explains how we collect, use, disclose, and protect your data when you use our crypto trading app. By using our app, you consent to the practices described in this Privacy Policy.

1. Information We Collect

1.1 Personal Information: We may collect personal information that you provide to us voluntarily, such as your name, email address, phone number, and any other information you choose to provide when using our app.

1.2 Financial Information: To facilitate transactions and provide trading services, we may collect financial information, including your cryptocurrency wallet addresses and transaction history. However, we do not store sensitive financial information, such as credit card numbers or bank account details.

1.3 Usage Data: We automatically collect certain information about your use of our app, including your IP address, device information, operating system, app usage data, and browsing activities. This information helps us analyze app performance, enhance user experience, and improve our services.

2. Use of Information

2.1 Service Provision: We use the collected information to provide and maintain our crypto trading app, process transactions, execute trades on your behalf, and offer customer support.

2.2 Personalization: We may use your information to personalize your trading experience, provide tailored recommendations, and deliver relevant content and promotional materials based on your preferences and trading history.

2.3 Communication: We may use your contact information to send you important updates, notifications, newsletters, marketing materials, and other communications related to our app. You have the option to opt out of receiving such communications.

3. Data Sharing and Disclosure

3.1 Third-Party Service Providers: We may share your information with trusted third-party service providers who assist us in operating our app, processing transactions, analyzing data, and providing technical support. These providers are obligated to protect your information and use it solely for the purposes specified by us.

3.2 Legal Requirements: We may disclose your information if required to comply with applicable laws, regulations, legal processes, or governmental requests. We may also disclose information to enforce our Terms of Service, investigate potential violations, or protect our rights, privacy, safety, and property.

4. Data Security

We implement industry-standard security measures to protect your information from unauthorized access, disclosure, alteration, and destruction. However, please note that no method of data transmission or storage is completely secure, and we cannot guarantee absolute security.

We reserve the right to update or modify this Privacy Policy at any time. Any changes will be effective upon posting the revised Privacy Policy in the app. We encourage you to review this Privacy Policy periodically to stay informed about our data practices.
